Dear fellow community member,

ONE Theater Group, Inc. is proud to announce its upcoming production of *Treasure Island* happening April 20-23rd in Fairhaven!

Our unique mission donates a portion of every show's profits to a different local charity. **In just two and a half years, we have donated \$25,000 back to the community!**

We're thrilled to announce that **our select beneficiary for *Treasure Island* is Homes for Our Troops**. Based in Taunton, HFOT provides an incredible service. They build specially adapted, mortgage-free homes across Southeastern, MA for severely injured veterans post-911 to help them rebuild their lives.

In order to fulfill our mission to 'give back' we absolutely must seek community support to offset the actual production costs of a show – like licensing rights, costumes, set construction, lighting, audio, etc. This is costly, which means that securing financial support is *vital* to our success.

We ask you to consider helping us in some way – no matter how big or small. We are only able to *give* through the help of people like you. It is our sponsors and our patrons who help us to donate \$10,000+ back every single year.

Help us continue our impact... and help us raise money for Homes for Our Troops!

Attached you will find information on becoming a sponsor or placing an ad in our playbill. Four performances of *Treasure Island* will draw in 1000+ show-goers! You may also donate a gift basket to our lobby raffle or make a general donation online.

Thank you in advance. We truly hope to have your support!

Sincerely,
